

A healthier,
safer and
more
dignified
walking
experience.

Upright Posture Walker designed to be safer & more comfortable than traditional walkers and rollators.

Comfortable, integrated seat.

The revolutionary UPWalker® restores activity and independence for the elderly and mobility challenged.

- Enables users to stand upright and look ahead with better support, greater dignity and confidence to walk farther and remain more active.
- Preliminary clinical studies revealed improved walking posture, safer, more stable feeling, and reduced pain in legs, back, hands and wrists.
- Helpful in treatment and mobility for people with Orthopedic, Cardiovascular, Neurological, Pulmonary and other health disorders.
- Stylish, easy-folding design, lightweight for transporting and storage, simple armrest adjustment for the perfect height in seconds.
- Cushioned sit-to-stand handles ease transition to standing position.
- Standard accessories include drink holder, seat backrest, personal bag.
- Sturdy frame with user weight capacity up to 350 lbs (Large model).

* Limited Lifetime Warranty covers frame against defects in materials and workmanship.

UPWalker®

UPWalker is proudly produced by LifeWalker, a leading innovator in upright mobility.

UPWalker® features provide benefits not available in traditional walkers.

Adjustable-Height Armrests
Padded armrests enable users of varying height to stand tall and look ahead with confidence and dignity.

Lockable Brakes
Ergonomic handbrakes are easy to use for better control, stopping and parking.

Comfortable Seat
Fabric seat with backrest support slides front to back for sitting or walking.

Sit-To-Stand Handles
Padded handles make transition between sitting and standing easier and safer.

Multi-Terrain Wheels
Large 8-inch rubber wheels help to move smoothly over bumps and uneven surfaces.

Sturdy, Foldable Frame
Stylish, lightweight, folds easily for transport and storage yet strong enough to support 300 lbs.

UPWalker Accessories:

- **Backrest Support**
Detachable backrest provides comfortable support while sitting.
- **Beverage Holder**
Attaches to handgrip arm for easy access to your water bottle.
- **Personal Item Bag**
Polyester bag with fold-over top to conveniently stow personal items.
- **Luxury Item Bag**
Elegant design, sturdy material, side pockets and easy-access zippered top.
- **Shopping Bag**
Perfect for groceries, features handles to use as a carry bag.
- **Smartphone Holder**
Adjustable to securely hold phones of various sizes for handsfree operation.
- **Cane/Umbrella Holder**
Keep a cane or umbrella within easy reach with this two-piece holder.
- **Flashlight/Taillight**
Serves as a headlight, flashing safety light and rear-facing taillight.

The UPWalker is available in 3 sizes to accommodate user height from 4'4" to 6'5" and weight up to 350 lbs (size L).
